

ANDRÉ POLETTE
INGÉNIEUR DES ARTS ET MANUFACTURES

20 mai 1961

Mon cher Boris,

Votre lettre du 13 mai arrive ce matin.

Nous nous réjouissons tous de votre arrivée à Paris et vous aurez l'occasion de voir ma femme - Suzanne et son mari - Thérèse et son mari - seront absents : Robert qui est à la Maynardi et Janine en Angleterre -

Voici le programme que je vous propose
Lundi 22 mai - matin - repos.

L'après midi à 16 heures vous venez nous retrouver à la maison - Nous discuterons de votre manuscrit et rappellerons nos souvenirs -

Suzanne et Thérèse viendront boire la champagne à votre honneur et à 20 heures nous irons tous dîner ensemble - Et peut être après dîner si vous êtes d'accord Suzanne nous entraînera chez elle pour passer un moment -

De cette façon nous ne prendrons pas tout votre temps de la journée du Lundi et nous passerons malgré tout des heures agréables en famille.

A Lundi après midi mon cher Boris
Et en attendant notre souvenir le plus cordial

PS. Thérèse attend un bébé - Elle est très fatiguée et c'est pourquoi elle ne verra sans doute l'après-midi que pendant quelques instants -

Correspondence

Polette, André

Dear Mr. Polette:

I received your letter addressed to me in San Francisco as well as your 8 April letter with the information which you said was published in a bulletin.

Mrs. Pash and I enjoyed a very pleasant trip to the Pacific Coast. While traveling through the Southern States I looked around for the cowboy hat which your daughter wishes to have. ~~I have in mind getting such a hat since I have already made arrangements. But before doing so~~ ^{obtaining it} I would like to have ^{hat} her size. Please do not tell her we are doing this because I hope it will be a pleasant surprise for her.

Mrs. Pash and I enjoyed your visit and appreciated greatly your taking the time to come down to see us. We do hope that some time in the future we may enjoy the hospitality of France and visit the areas which have been of interest to you and me during the war.

I do not see how I could have been in Argentina and in California at the same time. But I suppose if a person is once connected with that type of work he will always be associated with it. While the information contained in the note you sent me is not correct, I would certainly appreciate a copy of the document (2 or 3 if they can be procured) to add to the group of souvenirs which I have, and of which the foremost is the flag prepared by your daughter. I shall also appreciate any information you may have on the publisher, the source of ^{his} the information, etc. Only ^{my request for} please do not go to any trouble because ~~all~~ this information results from

my interest in keeping a full ^{history} ~~picture~~ ^{and related} on my war activities. Some day
I hope to be able to have the souvenirs ^{organized so that} ~~in such a position that~~ they
can be viewed.

Please remember me to your family. Mrs. Pash joins me in wishing
you a very pleasant time in La Menardie.

Sincerely,

Mr. Andre R. Polette
